

Student Ambassador Application

For students age 10 and up. Student Ambassadors assist around the studio and at our events by: being greeters during the first week of classes, birthday party assistants, activity assistants at festival booths, rehearsal and recital assistants, assist with giving back and volunteer initiatives at the studio...and any other odds and ends that come up throughout the year. When ambassadors are needed, it will be posted on the bulletin board in dancer den or on our Student Ambassador App. Especially great for any dancer with hopes of owning a dance studio one day!

• What strengths do you feel you could bring to being a SA?

Dancers should contact us directly with questions at info@dreamsdance.com; no emails from parents. This is an opportunity that should be taken seriously, and we expect a high level of maturity and professionalism from students 😊 There will be a mandatory training in September, in which a handbook with all policies will be provided.
